

Phi Theta Kappa Honor Society

Saga Hogleund

Submitted by Phyllisa Eisentraut

Saga Hogleund epitomizes what it means to be an "honors" student. As Vice-President, and now President of the 2023-2024 student leadership of the SBCC chapter, Saga leads with poise, intelligence and dedication. As Vice-President during the fall semester, she more than ably supported the chapter president and members with each and every project. This semester she smoothly stepped into the President role, running weekly planning meetings, promoting the chapter around campus, and championing other officers and their projects, all while taking a heavy academic load, tutoring for the Anthropology Department, and participating in other campus clubs. We could not be prouder to celebrate Saga!
